

Vector Shoplight

TRI-COLOUR LOW-GLARE DOWNLIGHT

The Vector is a high performance commercial downlight solution for corporate offices, retail shopping centres, and other service facilities.

Engineered to be robust, it features a durable metal body and opal polycarbonate diffuser. It also features a constant current driver and pre-wired flex and plug for quick and easy installation.

The Vector comes with 120mm and 175mm cut-out and 60° gimbal angle.

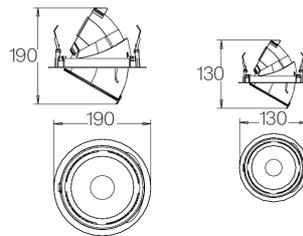

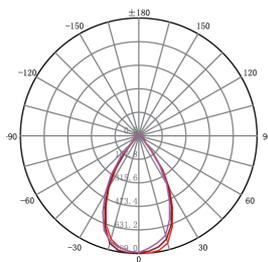

Features

- Tri-Colour
- Die-cast aluminium heat sink
- 60° gimbal angle
- Cutout Ø120mm/Ø175mm
- Constant current driver
- 5 years warranty

Applications

- Residential, hotels, shops
