

SUMMARY

The Destiny Plus tri-colour is a highly efficient edge-lit panel. Engineered using a PMMA light guide to deliver a lighter, brighter and stronger result. It's also incredibly slim at only 15mm thin. It features Tri-Colour selectable technology, giving installers the choice of 3 colour temperatures in 1 fitting, and a pre-wired flex and plug for quick and easy installation. It has a CRI rating of Ra>80 and a MacAdams rating of SDCM<4. Built to last, it has an aluminium frame that is finished in smooth powder-coating for durability and an opal polycarbonate diffuser.
