

### Features

- Die-cast Aluminium housing with excellent thermal management
- Tempered glass cover providing good protection for lens and chips
- High efficacy up to 160Lm/W
- 1.5m flex and plug
- DALI and 1-10V options available for made to order

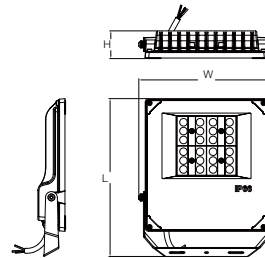

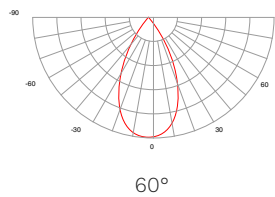

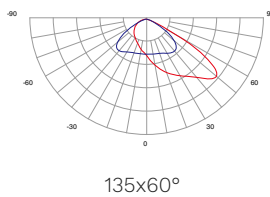

### Applications

Industrial hall & warehouse, Car Parks, Large Areas, etc.

### Warranty

5 years

### Product Data

Order Code	Wattage	CCT	Lumen Output	Distribution	Size (LxWxH)mm	Weight (kg)
273355	50W	5000K	8000Lm	135*60°*	268x230x47	3.0
273354	50W	4000K	8000Lm	135*60°*	268x230x47	3.0
273365	50W	5000K	8000Lm	60°**	268x230x47	3.0
273364	50W	4000K	8000Lm	60°**	268x230x47	3.0

[1] Operating temperature: -30°C~+45°C

[2] Voltage: 220-240V

[3] PF: 0.9

[4] \*: Asymmetric options: 110°/20°/110°/40°

[5] \*\*: Symmetric options: 15° / 30° / 45° / 60° / 90° / 120°/TYPE2 / TYPE3 / TYPE4

[6] Inrush Current: 20A@200µs

[7] Leakage Current>=0.75mA
