

SUMMARY

The Espace is an IP65 bunker and is ideal for commercial and residential applications. Built tough, it is rated to IK10, suitable for high vandalism areas. Its robust polycarbonate enclosure is also corrosion and UV resistant. It features multiple cable entry points and a large 6mm terminal block allowing for quick and easy installation.

PRODUCT DATA

Order Code	281002
Voltage	220-240V
Wattage	13W
Lumen Output 3K	1100Lm
Lumen Output 4K & 5K	1200Lm
CCT	Tri-Colour Selectable - 3K / 4K /5K
IP Rating	IP65
IK Rating	IK10
CRI Rating	Ra≥80
Beam Angle	110°
Light Source	SMD Chips
Driver	Integrated
Dimmable	No
Construction	Polycarbonate body & opal polycarbonate diffuser
Fitting Colour	White
PF	0.9
Net Weight (kg)	0.91
Lifetime L70B50	50,000 hours
Warranty	5 years
