Before first using your new table lamp it is most important that you read and follow these instructions, even if you feel you are quite familiar with this type of product. Keep this document in a safe place for future reference.

For your safety

- To reduce risk of possible electric shock ensure that power is OFF and UNPLUGGED before removing or inserting the light bulb.
- During use, the light bulb and/or light assembly becomes hot. To prevent burns do not touch the globe or any parts of the head assembly with bare hands when it is hot.
- Do not use in a position where the fitting can be easily accessed by children or the infirm.

INSTRUCTIONS

Carefully unpack the fitting and dispose of the packaging material thoughtfully.

- 1) The table lamp comes pre assembled and no additional assembly is required.
- 2) Ensure the power is switched off at the wall socket and DO NOT connect it at this stage.
- 3) Place the table lamp 'A' on the surface and position the head 'B' into desired direction.
- 4) Fit the correct globe 'G' into the lampholder. Do not exceed maximum wattage.
- 5) Plug the cord into the selected wall socket 'W' turn the wall socket ON.
- 6) Switch the table lamp ON/OFF using the switch 'S' located on the cord.

NOTE: Indoor use only

Warranty:

Brilliant Lighting warrants this product against defects in manufacture and workmanship for a period of 2 years from date of purchase. This warranty is only valid for products installed by a qualified electrical contractor (if applicable) and operated within the guidelines specified by Brilliant Lighting, and within the correct operating voltage ranges as stated on the product's rating label.

Warranty does not include damage or loss arising from incorrect installation, operation or maintenance of this product, damage caused through modification, incorrect installation, service by unqualified or unauthorised personnel or lack of regular maintenance and cleaning. Proof of installation by qualified personnel may be required, eg. Electrical Safety Certificate. Proof of purchase must be supplied with all warranty claims.

This warranty is provided in addition to any other rights and remedies of the customer under any law. In applications not intended for household, personal or domestic use, liability is limited to replacement or reimbursement of product only. Brilliant Lighting does not warranty the costs of removal or re-installation of this product or associated components.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if goods fail to be of acceptable quality and the failure does not amount to a major failure.

Any claim under this warranty must be made within the specified warranty period from date of purchase of the product. To make a claim under the warranty; at your own expense take the product (with proof of purchase – receipt or similar) to the store where you purchased the product or contact Brilliant Lighting at the address below.
