

## BLOCK-12 LED Wall Light

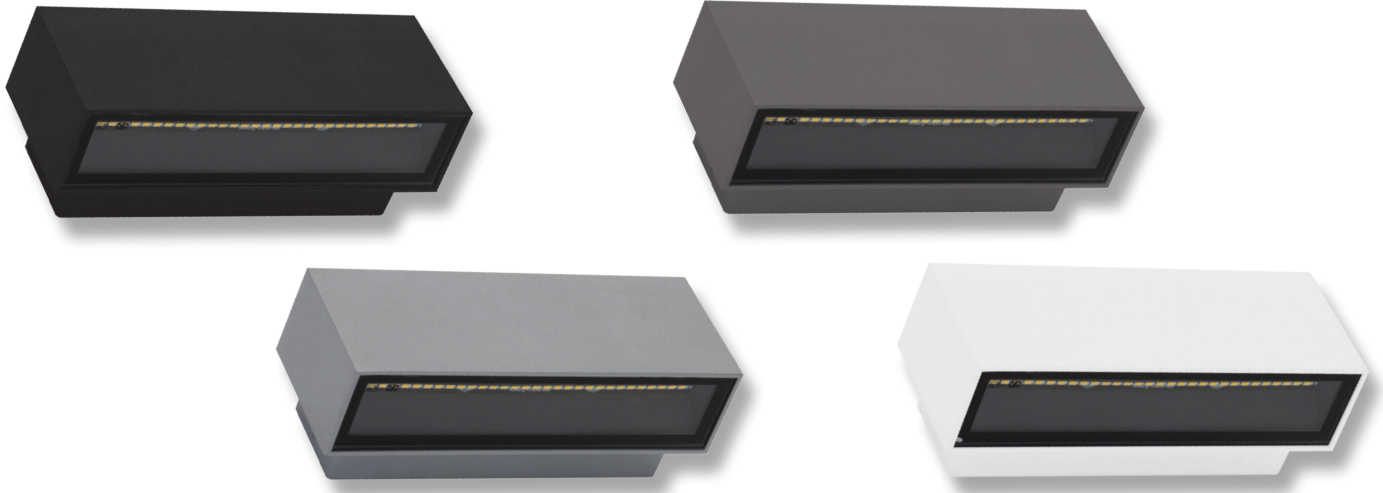

### Description

The BLOCK-12, a surface mounted 12 LED wall light that illuminates both upward and downward to create that subtle welcoming effect. The BLOCK is also rated at IP65, giving you flexibility in indoor and covered outdoor applications.

BLOCK-12 is constructed from die-cast aluminium and includes a tempered glass lens. Behind these lens sits energy saving (2x) 6W SMD LED chips, that will provide you with a total of 1100 lumens (upward/downward) light output.

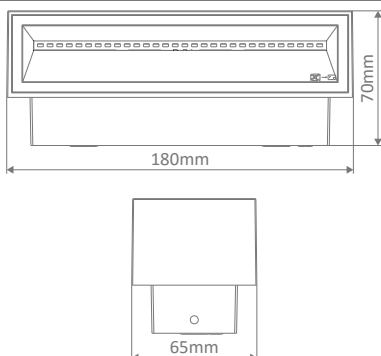

The BLOCK-12 also comes complete with our Three Year Replacement Warranty for peace of mind.

### Specification Features
