

EDGE-4 LED Wall Light

Description

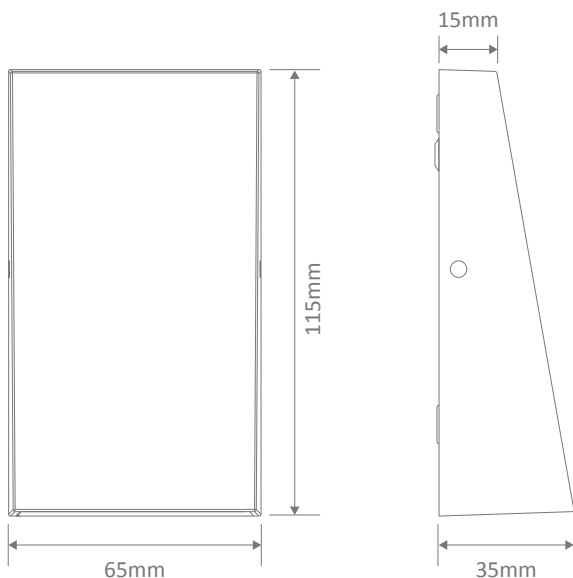

The EDGE-4 is a modern and ultra-thin IP65 Wall light that offers a stylish solution to low level pathways, front facades, front entry, or back patio areas where ambient lighting is required, as well as lighting sides of the house. Providing a downward illumination effect. Featuring a Black, White or Dark Grey powder coated Aluminium frame, with an optical lens diffuser to give a narrow spread of light. Available in Warm White 3000K or White 5000K colour temperatures. Backed by our 3 Year Replacement Warranty.
