SMART Wifi Control Bathroom Heater and Exhaust fan. Calor's has a modern design to suit any space. Its instant heat infrared lamp, powerful and quiet ball bearing motor with high lumen light provide a total bathroom solution.

- High performance 1000W instant heat lamp to warm the body
- Powerful 55W long life ball bearing motor
- Extracts up to 500m³/hr to easily remove moisture and steam
- Super bright 15W CCT LED light sources with 1200 lumen maximum output
- Easily change colour temperature (CCT) from warm white 3000K, cool white 4200K to bright daylight 6000K
- 150mm side duct outlet
- This unit is fitted with a thermostat switch that will automatically turn on the fan if the internal temperature exceeds 50°C
- Includes wall switch, 1.5m flexible ducting and exterior grille
- Available in matt white and matt black
- Compatible with BrilliantSmart devices via automation & IFTTT.
- Create schedules, eg preheat your bathroom on those cold mornings before your shower. Leave the exhaust fan running so your bathroom is clean and dry and switch off at 9 am.

APPLICATIONS

- For medium to large bathrooms

White Wall control Included

Black Wall control Included

SMART WIFI CALOR 3-IN-1 BATHROOM MATE
