

LIVI-8 LED Wall Light

Description

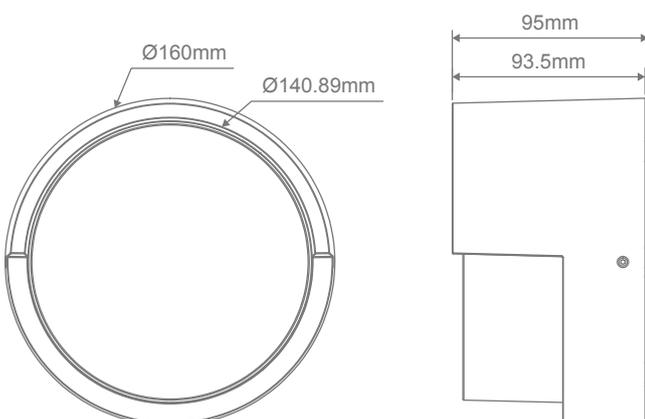

The LIVI is a versatile slimline IP65 Interior or Exterior Wall light in a modern round shade designed to offer an attractive down lighting effect to wall areas where ambient highlight lighting is required. Tricolour switchable: choose between Warm White (3000K), Neutral White (4000K), or White (5700K) colour temperatures with the flick of a dip switch. Featuring a Black, White or Dark Grey Polycarbonate body, with an opal lens diffuser. Available in a matching small 5W, or larger 8W size. Complete with Flicker Free Driver to avoid light flickering in videos. Backed by our 3 Year Replacement Warranty.
