

FEATURES

- Sustained emergency system
- Short-circuit and polarity reversal protection
- Replaceable battery
- Simple plug-and-play installation
- High efficiency SMD LED chips
- Retrofittable modular design

INCLUDES

- LiFePO4 Battery

WARRANTY

- Three years (subject to terms and conditions)

COMPATIBILITY

- Sandy Oyster (181003 and 181004)
- Unit Bunker (281003 and 281004)
- Fortlite Bunker (281005)

CERTIFICATION	IP RATING

Order Code	Part No.	Model No.	Voltage	Rated Power	CCT
283049	283049	MA1EN04W005-L11W08	220-240V	4W	4000K

Order Code of Battery	Part No. of Battery	Nominal voltage	Nominal capacity	Typical weight	Charge current	Discharge current	Discharge voltage	Charging time	Discharge time	Temperature range for operation
423019	423019	6.4V	1500 mAh at 0.2 CmA	92g	260mA	1 A (max)	7.3-5v	7h	3h	0 ~ +60 °C
